Remarks

One or more photo(s) has been virtually staged. Set along one of the best water and golf views in Jacaranda West, this 3-bedroom, 2-bath pool home has been completely reinvented for modern Florida living. Wake up to egrets and herons at play across the lake, enjoy distant Gulf breezes, and soak in sunsets over lush fairways—all just minutes from downtown Venice, Gulf beaches, and I-75. The home itself lives like new, with nearly every system and finish replaced in 2024–2025, including a standing seam metal roof, PGT impact windows and doors, new kitchen, new baths, appliances, flooring tile, lighting, Clear View pool enclosure, pool equipment, and more. Smart-home conveniences, from climate control to lighting and security, add effortless comfort, while storm-rated features offer peace of mind. In a well-established neighborhood known for its central location and welcoming feel, this home blends timeless setting with modern luxury—an uncommon find in one of Venice's most desirable communities.
